4th International Conference on Environmental Engineering, Science and Management

May 27-29, 2015

**Lotus Hotel Pang Suan Kaew
Chiang Mai, Thailand**

Organized by

กระทรวงพลังงาน
MINISTRY OF ENERGY

Environmental Engineering Association of Thailand (EEAT) was founded in 1983. The main purpose of EEAT is to serve as environmental engineering professional center, providing educational and technical informations and technologies on environmental pollution protection and control as well as environmental management. As the environmental subjects have been national and world wide concern, EEAT will be the platform for knowledge management of environmental concerns by organizing the annual **National Environmental Conference** in cooperation with the educational institutes. The conference's host has been rotated from central to other regions in Thailand. The objective of the conference is to share and exchange knowledge among researchers, scientists, engineers and other practitioners by presenting research work and practical case studies in the conference. This can be benefit for not only solving the national and local environmental problems, but also strengthening the network of environmental institutes, organizations, and other related ones. Moreover, this 2015 conference is a special event that EEAT is going to organize international conference in conjunction with national conference. It thus will be international knowledge wide as well.

The 14th National and the 4th International Conference on Environmental Engineering, Science and Management is hosted by Department of Environmental Engineering, Faculty of Engineering, Chiang Mai University with co-host by Ministry of Natural Recourse and Environment, Ministry of Science and Technology, Ministry of Industry and Ministry of Energy. The conference will substantially consist of keynote/invited speakers, oral and poster presentations.

-  Water resource management
-  Water quality management
-  Water and wastewater treatment technology
-  Air and noise pollution control
-  Solid waste management
-  Hazardous waste management
-  Site contamination and remediation
-  Environmental management
-  Pollution prevention, Cleaner technology, Industrial ecology, LCA
-  Business and Environment, CSR
-  Coastal engineering
-  Disaster management
-  Energy and Environment

Participants

Academia, Researchers, Scientists, Engineers, Economists, Sociologists, Lecturers, Students, Entrepreneurs, Consultants, NGO, Officers, and other interested persons

Registration Payment

Check or payment to saving account or money order:

“Environmental Engineering Association of Thailand”

- Bank Transfer: Savings Account No. 053-1-24040-3, Bank of Ayudhya Plc., Klong Prapa Branch
- Bank Transfer: Savings Account No. 056-2-32298-0, Siam Commercial Bank Plc., Aree Sampan Branch
- Money Order: Please make payable to the Environmental Engineering Association of Thailand, P.O. Ministry of Finance 10411

Presenter

Classification	After April 20 Till 27 May 2015	Early bird Before April 20, 2014
Thai
